CHRISTIAN FELLOWSHIP

Dear Church Family,

As a new year dawns and the old one fades into history, it's a time of reflection and making plans for a new day. Reflection is always hard because it requires some self examination, but we know from God's word that it is good. We have the strength of the Holy Spirit to enable us, to affect positive change in our lives. I am looking forward to God's blessings in 2012 as I know you are also.

The biggest change on the horizon for Harvest is our new men's and women's meetings on Wednesday nights. The men will be focusing on building relationships that will strengthen their marriages, family relations, and their place in the household of faith. The women, likewise, will be seeking a closer walk with the Holy Spirit as they face the unique challenges in the special place that God has given them in family and church.

I am also excited about the new things that God will do with our youth department as Brandon takes over the leadership role of our young people. I am very grateful for all the adults that minister to our children in children's church, Sunday School, and in the nursery. I know God will do great things in those areas of ministry as well.

I am praying for God's richest blessings in your life— physically, spiritually, emotionally, and financially. Let us join our hearts and minds together as we face a new year in the power and grace of Jesus, Savior and King.

God bless,

Pastor Mike

Women's Meetings

"Exceeding Joy & Abundant Favor"

Meeting Wednesday nights, 7pm, in room 101

We will be basing our studies on the following scripture,
Psalms 31:26-31:

"She opens her mouth with wisdom, and on her tongue is the law of kindness. She watches over the ways of her household, and does not eat the bread of idleness. Her children rise up and call her blessed; her husband also, and he praises her: 'Many daughters have done well, but you excel them all.' Charm is deceitful and beauty is passing, but a woman who fears the Lord, she shall be praised. Give her of the fruit of her hands, and let her own works praise her in the gates."

Bigger & Better

Friday, January 20th, 6pm-10pm

Bigger & Better is a fun game of trading up and practicing your sales pitch. The youth group will be going out in groups with a youth leader trying to trade the small, common item they have for something bigger and/or better. The youth group did this several years ago, and that's how we ended up with some of our couches! Dress warmly as we'll be outside all night. Be sure to bring a signed permission slip and a friend! Parents: drop off and pick up at Harvest at the above times.

We've got a new Facebook page up for the youth group! Parents, youth, and everyone else- "like" us on Facebook to stay in the loop with events, pictures, videos, and much more. Scan the QR code above or go to the youth page on Harvest's website, www.harvestlakeside.com, and follow the link!

Our Mindset & Mission

1. We acknowledge through worship, prayer, and praise the Lordship of Jesus Christ in our group gatherings and daily living.
2. We endeavor to train and equip God's people to successfully live out the Christian life through their knowledge of, and obedience to, God's Word.
3. We desire in all our group and individual activities to share the Gospel of Jesus Christ and God's love with all people.

As promised in Acts 1:8,

"We will receive power when the Holy Spirit comes upon us, and we will be His Witnesses" in our community, our nation, and the world.
